What Is The Nature Of Special Education Teaching ... Because of the nature of his job, the Special Ed teacher collaborates not only with the school administrator, but works closely with the school psychologist, social and health workers, the general education teachers and especially with the children's parents. ERIC - Effective Intervention for Students with Specific ... The nature of effective instruction for students with specific learning disability is explored. Process training has long been a prominent intervention but is shown to possess limited efficacy. Better outcomes are attained when effective general education instructional techniques are adapted for the purposes of special education. Special Education in the Schools - Council for Exceptional ... Special education should function within and as a part of the regular, public school framework. Within this framework, the function of special education should be to participate in the creation and maintenance of a total educational environment suitable for all children.

Nature vs. Nurture in Special Education The author discusses aspects of the nature versus nurture equation in special education. She is critical of three assumptions that influence the special education including that students with disabilities must show that they can learn before they can be taught with nondisabled students, students. The Nature of Special Education: People, Places and Change ... Read this book on Questia. Contains a collection of brief case studies of children, families, professionals, curricula and schools which illustrate and illuminate contemporary methods in special education. ERIC - The Nature of Special Education: People, Places and ... The text, designed to accompany an Open University course on the education of handicapped children in the United Kingdom, presents 51 papers illustrating approaches to the integration of handicapped persons in the school and the community. The first section contains biographies covering such topics as children with multiple disabilities, deafness, Down's syndrome, and hyperactivity; families.
