It offers advice and guidance on how to set up indoor and outdoor nature play spaces as well as encouraging environmentally responsible attitudes, values and behaviour in your early childhood setting. The Tree - Nature for very young children | Free Kids Books In The Tree, a children's nature storybook for very young children, we see the various parts of the tree and life cycle introduced in a repetitive manner with beautiful illustrations. Great nature book for very young children. Lots of repetition in the text makes it a nice book for early readers. Sample Text:

The Nature of Children - ASCD The Nature of Children. The evidence increasingly points to an innate disposition [in children] to be responsive to the plight of other people. . . . Creating people who are socially responsive does not totally depend on parents and teachers. Such socializing agents have an ally within the child. ... Even children as young as 2 years old have. Young Children and Nature | The Adventurous Child The ... Last week, Mary Rivkin and Nancy Rosenow, the authors of Spotlight on Young Children and Nature participated in an online National Association for the Education of Young Children (NAEYC) event in which they answered people's questions about connecting young children with nature. I enjoyed reading the questions and answers and reflecting on outdoor play. Young Children's Relationship with Nature: Its Importance ... We need to allow children to develop their biophilia, their love for the Earth, before we ask them to save it. Rather than books and lectures, nature itself is children's best teacher (Coffey 2001). Young children tend to develop emotional attachments to what is familiar and comfortable for them (Wilson 1996).

Nature and Young Children: Encouraging Creative Play and ... Nature and Young Children contains many simple ideas on the type of materials that can be added to encourage observation, exploration and dramatic play, as well as guidance on what early years practitioners can do to help children meet early development and.
