The Holocaust has quite rightly been referred to as the greatest single crime against humanity in history. The organized mass murder of civilians and prisoners of war carried out by Nazism is a horror that has cast a terrible shadow over the last century, calling into question our vary notions of what human nature is and the violence we are capable of. The Nazis, Capitalism, and the Working Class by Donny ... While historians commonly explain the success of the Nazi party in terms of national prejudices or Hitler's charismatic demagoguery, this Marxist analysis demonstrates how, at the height of an economic crisis, it was the Nazis' commitment to annihilating the gains of working-class organizations that made their ideology attractive to the German ruling class.

The Myth of "Nazi Capitalism" | Mises Institute According to this new narrative, the Nazis were in the final and worst stage of capitalism. At a time when many members of the European intelligentsia were still enamored with the Soviet Union, this narrative of the Nazis as capitalists was a welcome lie.
